

BULLET RESISTANT PORTABLE SHIELD PARTITION

Provide extra security and safety to those who use your space, for your peace-of-mind and theirs. The Bullet Resistant Versare Portable Shield Partition can stand alone or be wall-mounted to create a semi-permanent structure—no construction or permits needed. Available in a variety of sizes and colors to fit your facility.

- **PORTABLE.** Lightweight, with wheels for easy transport.
- **STURDY.** Aluminum construction and stabilizing end panels.
- **EASY TO USE.** Wheeled; deploys in seconds when needed.
- **EASY TO STORE.** Collapses to a width of 33" when not in use.

AVAILABLE IN:
Fabric, Polycarbonate,
SoundSorb & Laminate.

HEIGHTS: 6'10"

WIDTHS: 7'2" | 11'3" | 15'6"

ADD AN EXTRA LAYER OF SECURITY

An on-site defensive solution can be the difference between a positive outcome and a potentially tragic situation. Each Bullet Resistant Portable Shield Partition is custom-made and tested to meet National Institute of Justice standards.

- Integrated ARMAT ballistic material has been tested by Ballistic Laboratories, a military testing site.
- Certified under the National Institute of Justice Standard NIJ0108.01.
- Testing indicates that these partitions can withstand multiple impacts from .44 magnum and 9mm ammunition.
