

EverPanel® Room Kit with Roof

Our unique, modular room kits use durable, lightweight, interlocking panels to create self-supporting structures—no need to connect them to a permanent wall.

MADE IN THE U.S.A.

Multiple uses, multiple sizes.

ACOUSTIC PROPERTIES.

Dampen sound and reverberation with a roof constructed using our NRC-rated SoundSorb™ fabric.

EASY TO CLEAN.

Wipe panels using only mild soap such as dishwashing liquid, and a non-abrasive cloth or sponge.

TOOLLESS ASSEMBLY.

Easily assemble and disassemble with a minimally skilled crew.

SUSTAINABLE.

Reuse or move the modular wall system to repurpose assets and reduce waste.

All Kits Include:

- An open channel to run cable or wiring between panel sections.
- Your choice of accordion, or left- or right-swing door.
- A black or marble gray roof to fit your esthetic.

Choose from three sizes to fit your space:

	Length	Width	Height
Small	8'	4'	8'
Medium	8'	8'	8'
Large	8'	12'	8'
