

Flower Basket Stand

Assembly Instructions

Tools and hardware included:

Allen
wrench

Allen Head
Screws

Washers

Leveler
Foot

1. Attach base to center stand with 4 Allen head screws, with 1 washer on each screw. Use Allen wrench included to tighten.
2. Screw in 4 leveler feet to corners of base.
3. Flip over stand. Place basket in stand and line up hole locations.*
4. Attach basket with 3 Allen head screws,** with 1 washer on each screw. Use Allen wrench included to tighten.

Helpful Tips:

- * Consider attaching bottom screw of basket first to help pull the basket into place for 2 side screws.
- ** Pull back the weave to expose attachment points.
