EVERPANEL® MODULAR WALL SYSTEM

EverPanel® offers a flexible, cost-effective way to create adaptable spaces — no permanent construction required. These modular wall panels make it easy to build rooms, dividers, and partitions for offices, homes, and commercial spaces, and are perfect for trade show booths, retail displays, art walls, and temporary housing.

Complete your setup with the EverPanel® Swing Door — a full-sized, functional door that integrates seamlessly into your wall system to create private, accessible rooms.

EVERPANEL® SWING DOOR

PANEL DIMENSIONS

7' x 4' | 8' x 4'

DOOR FRAME DIMENSIONS

6'8" x 3' - ADA compliant door width

HOW THE EVERPANEL® SOLUTION WORKS

Opt for a pre-configured EverPanel® Wall Kit, or work with a Versare product specialist to design your project. Mix and match panel options for the style and design you want.

- **FLEXIBLE.** Modular, lightweight construction and easy-to-reconfigure design lets you move or add on to structures as your requirements change.

- **EASY TO INSTALL.** Toolless assembly requires only a minimally skilled crew — and no permit.

- **CLEANABLE.** Fiberglass Reinforced Panels (FRP) options are easy to clean with a mild soap and a non-abrasive cloth or sponge.

- **SOUND-DAMPENING.** SoundSorb™ panel options reduce noise.

| TOOLLESS ASSEMBLY | EASY TO CLEAN | SUSTAINABLE OPTION | MADE IN U.S.A. |
