

OPERABLE WALL™ SLIDING ROOM DIVIDERS

Separate spaces in large areas. Our easy-to-maneuver, wall-mounted Operable Wall Sliding Room Dividers are a low-cost alternative to expensive track-mounted accordion door systems — and appropriate for areas that can't accept a track system. Its unique telescoping slide mechanism keeps panels in a straight line.

- **PORTABLE.** Lightweight, with wheels for easy transport.
- **STURDY.** Aluminum construction and stabilizing end panels.
- **EASY TO INSTALL.** And no permit required.
